Summer Medical Assistant

This person is responsible for:

- Assisting Fire Department EMT's during medical emergencies
- Remaining familiar with all the fire department medical equipment
- Recording patient information and vital signs during medical emergency using the standard Patient Care Report (PCR)
- Note: This person will be asked to respond to medical emergencies when there are a small number of responders available in the area. (they are welcomed to respond to any medical emergency)

Requirements:

- Will be available (and in safe physical condition to respond) in the event of an emergency
- Will possess a valid California Driver's license
- Will pass a criminal records check
- Will pass the first responder course and have a current BLS or Professional Rescuer CPR card (if approved to provide medical support in a fire setting will be annually trained in shelter use, and basic wildland fire behavior)
- Will attend annual training sessions for first responder and CPR
- Will remain current by reviewing the contents of the medical bags semi-weekly during the summer
- Remain in compliance with all HLVFD standard operating guidelines (attached)
